About Me

B.Tech CSE 2nd-year student passionate about game development. Skilled in JavaScript, Node.js, HTML, and CSS. Currently exploring 3D and physics-based game development with libraries like Three.js and Cannon.js.

Experience

2023 - 2024
Manthan Prakashan | Civil Lines Prayagraj
Video Editor

Edited and produced engaging video content using tools like Adobe Premiere Pro and After Effects. Worked on short-form videos, reels, and promotional content with a focus on pacing, transitions, and visual storytelling. Collaborated with clients/teams to meet creative goals and deadlines.

Professional Summary

Passionate and self-driven B.Tech CSE student with a strong foundation in web technologies and a keen interest in game development. Skilled in JavaScript, Node.js, HTML, and CSS, with hands-on experience in creating interactive web-based games and applications. Adept at combining creativity with technical skills to build immersive gaming experiences. Continuously exploring new frameworks and tools to enhance development efficiency and game performance. Seeking opportunities to contribute to innovative projects and grow as a game developer.
